In 2017, we began the project '**Special Gastronomics**'

At Badeschiff, we offer culinary offerings prepared equally by 'disabled' and 'non-disabled' colleagues. For our project 'Special Gastronomics,' we received the Vienna Inclusion Award in 2018.

In 2022, we expanded the Special Gastronomics kitchen with our smokers '**Smoke on the Water**.' The ovens produce trout, catfish, chicken drumsticks, and vegetables, all smoked directly on the ship in our Special Gastronomics kitchen.

And yes, we are a bit proud of it. Special Gastronomics at its best
